Peggy...

As a former Albert Lea teacher, I know how important it is that every child gets a quality education. Hi, I'm Peggy Bennett, your State Representative for District 27A.

Whether advanced or struggling, all students deserve a quality education. As Vice Chair of the Education Finance Committee, I watch for and promote legislation that works toward that goal. With your vote November 6th, I will continue to work for our kids and schools and provide them the resources they need for a great education.
