Peggy...

We need to bring back more trades instruction to our schools. Hi, I'm Peggy Bennett, your State Representative for District 27A.

As Vice Chair of the Education Finance Committee, I personally authored a bill to help educate students in the trades, giving schools the flexibility to teach skills like welding outside of the school day. Opportunities like these will improve student learning and give schools the resources they need to ensure a great education for our kids. Please vote Peggy Bennett November 6th.
