Healthcare issues are a top priority. Hi, I'm Peggy Bennett, your state representative for 27A.

My top priority is restoring healthcare services to rural communities and reducing cost. I authored a bill last session that created incentives to bring healthcare providers to rural communities. It passed with bipartisan support, but Governor Dayton vetoed it. Re-introducing this important bill for our area, along with other healthcare initiatives, will be the first thing I do in January. Please vote Peggy Bennett November 6th.
