We need to bring back common sense to our government agencies. Hi, I'm Peggy Bennett, your state representative for 27A.

Recently, one of our local childcare providers was cited for having too prickly grass. No wonder few want to get into the childcare business! Overregulation is hurting individuals and businesses. I am working on bills that will reduce nonsense regulation and bring these agencies back to doing what they are supposed to do: SERVE THE PEOPLE! Please vote Peggy Bennett November 6th.
