Peggy...

Many people feel they have been left behind financially. Hi, I'm Peggy Bennett, your State Representative for District 27A.

Since elected, I have worked hard to help Minnesotans who are struggling to make ends meet. That's why I voted to reduce taxes for middle class and low-income Minnesotans, seniors on social security, veterans, college grads, main street businesses and more. With your vote November 6th, I'd like to continue that work to make sure no one gets left behind financially.

Announcer...

Paid for by the Bennett for House 27A committee.
