More and more families are struggling to get by with high inflation. It's getting difficult to afford even the basics like food and gas. Hi, I'm Peggy Bennett, your local state representative. We need to reduce the burden by fighting for common sense money saving initiatives like eliminating Social Security tax, reducing property taxes, lowering income tax, and reasonable reduction of regulations. People deserve to afford everyday life. Please vote for Peggy Bennett on November 8th.

Disclaimer = Paid for by the Bennett for Minnesota House 23A committee.
