I have been a proud supporter of farmers since the first day I was elected. Hi, I'm Peggy Bennett, your local State Representative. Farming regulations have moved from common sense to excessive. Family farmers love their land. They don't need to be micromanaged to take care of it. Excessive regulations have done nothing to help and just add reams of paperwork. I trust farmers to do the right thing. I would appreciate your vote so I can continue to fight for common sense for farmers.
