---

If something wasn't working in my classroom, I didn't continue to do the same thing over and over. Government shouldn't do that either. Hi, I'm Peggy Bennett, your local State Representative. I have bills ready to bring more educational alternatives for families whose students are struggling, and to give our public schools more local control to innovate and meet students' needs. I would appreciate your vote on November 8th.

*Disclaimer = Paid for by the Bennett for Minnesota House 23A committee.*
