I was a problem solver when helping struggling students in my classroom. Hi, I'm Peggy Bennett, your local state representative. My main goal as a legislator has also been to fix problems - not ignore them. Last biennium, I worked with colleagues on both sides of the aisle to get my evidence-based government bill passed. This will help reduce waste in government spending. I will always work hard to find a solution for every problem. Please vote Peggy Bennett on November 8th.
